Motion Withdrawn

The following communication was received from the Secretary of Colorado

Territory of Colorado.

SECRETARY'S OFFICE,

Denver Jany 7th 1874

To The Honorable
The Speaker of the House of Representatives.
Sir.

I have the honor to submit the subjoined items of information for the proper guidance of the House over which you preside, in the matter thereof set forth.

1st. I am instructed by the Treasury Department of the United States to exclude from my accounts, the expense of printing the Reports of Territorial Officers.

2nd That the items of Newspapers, and postage stamps for officers and Members of the General Assembly, heretofore allowed, are now discontinued.

3rd I am authorized to publish the Governor's

a Message on pamphlet form, as nearly as
to meet the orders of the Legislature. This
document is already in type. Two thousand
Copies will be published and placed at the
disposal of the Council and House, at an
Early day. The expense of printing and
binding the same will be paid by the United
States, as also that for the Laws and Journals.
4th I am not permitted to print any work
whatever in the Spanish language.
5th All incidental printing must be done
at one office.
6th In accordance with these instructions,
I have designated "Wm A. Byers, Proprietor
of the Rocky Mountain News, Public Printer for
both branches of the Assembly during the present
Session. All work which your Committee
on Printing, with due regard to the foregoing
instructions, may order, will be promptly executed.
Hereto for the amount to be expended

Territory of Colorado.

SECRETARY'S OFFICE,

Denver Jany 7th 1874

for printing has been left wholly within my personal discretion, but the act of Congress, approved May 8th 1872, prescribes certain limits which I am not permitted to exceed.

It has been the custom to publish all bills, rules, regulations, roll calls etc etc at the expense of the general government, but for reasons already given, the practice must, to a very considerable extent, be discontinued. It would be well, therefore, for the honorable members of the House to proceed upon the assumption that the entire cost of this work is to be met from the Territorial Treasury, for, until my expense accounts shall have been

made up, it will be impossible to deter-
mine whether any part of it can be
paid from the fund in my charge.

With the view of adjusting these matters
to the satisfaction of all concerned, I would
respectfully ask for a conference with
your Committee on Printing, at their Ear-
liest Convenience.

By the Act of Congress approved
January 23 1873, it is provided that
the members of Each branch of the Legis-
lature shall receive a Compensation
of Six Dollars per day, during the
sessions, and such mileage as is now
provided by law, - that is to say, Nine Dollars
for every twenty miles traveled. The Presiding
Officer of each House is allowed the sum
of Ten Dollars per day. The full list
of Officers provided for in this act ~~are~~ are
One Chief Clerk, whose Compensation

Territory of Colorado.

3 SECRETARY'S OFFICE,

Denver 187

shall be Eight Dollars per day; One Assistant Clerk, one Enrolling Clerk, One Engrossing Clerk, One Sergeant-at-arms, One door-Keeper, one Messenger, and one Watchman, who shall each receive a compensation of Five Dollars per day during the session.

The Chief Clerk of your House is respectfully requested to furnish this office with a full and carefully written Copy of his daily journal, at least once each week during the session, that the same may be printed under my personal supervision.

The report of the Superintendent of Public Instruction, together with the

of the Territorial Auditor, and transcripts have been some days in the hands of the Printer, and will soon be ready for distribution, in pamphlet form. Duplicate Copies having been provided in advance of the Session, in order that the work of Legislation might be thereby expedited.

The Manuscript reports of the Territorial Board of Immigration, the Adjutant General Territorial Militia, Librarian, Colorado School of Mines, the Committee appointed to investigate the Condition of the Territorial Penitentiary, with the letter of Chief Justice Hallett concerning disturbances in Huerfano County, are herewith transmitted for your consideration.

Very Respectfully
Your Obedient Servant
Frank Hall
Secretary of Colorado
